

Notice of Donation
Gift of Securities

CARE Canada welcomes gifts of stock/publicly traded securities. In order to ensure your transaction is handled smoothly and efficiently, please notify CARE Canada by phone, fax or email when considering a gift of stock with particulars. On receipt of the shares, they will be sold. Verification of transfer and the amount of the receipt is given to CARE Canada by phone and fax from CARE's broker at BMO Nesbitt Burns. CARE Canada will then issue a receipt and forward it with a letter of acknowledgement to you. Fixed payments generally will be greater than the income earned on Guaranteed Investment Certificates (GICs) and depending on age and gender, there may be no income tax paid on the annuity payments.

Gifts of publicly traded securities may be transferred to CARE Canada by notifying:
